SIXTY-SEVENTH YEAR

British Transport

At Night

By Elav Simon

JERUSALEM, July 23.—(BUP)—The British transport Empire Lifeguard, which ferried illegal Jewish immigrants to Cyprus in defiance of the British government, was blown up and sunk today in the shallow waters of Haifa's inner harbor.

Authorities said the Empire Lifeguard was mined by saboteurs of the Jewish underground organization Haganah, apparently while being loaded at Cyprus. She arrived last night with 361 immigrants being returned to Palestine.

About 50 immigrants and a number of crewmen were aboard when the blast rocked the ship, but an official statement said there were no casualties.

A hole six by three feet was blown in the ship.

DENSE CLOUDS of smoke billowed up from the engine room and the ship settled slowly to the bottom, coming to rest on an even keel.

Military and port firemen wearing asbestos suits swarmed aboard and prevented a boiler explosion before the transport went down in 20 feet of water.

The explosion occurred soon after the ship had left the pier.

Basis For Union Seen

Hint Newfoundland Will Join Canada

OTTAWA, July 23.—(CP)—Leaders of the Canadian and Newfoundland delegations said today they thought it might be possible to work out a basis for entry of Newfoundland into the Canadian confederation.

LEAVING A FULL conference of the seven-nation delegation, External Affairs Minister St. Laurent told reporters "we now are settling down to the fundamental problem and we hope that in a relatively short time we will be able to see whether there is a basis for union that will work."

Turning to G. H. Bradley, head of the Newfoundland delegation, he said:

Cabinet May Meet

Railway Unionists

LONDON, Ont., July 23.—(CP)—A meeting between the Dominion cabinet and the negotiating committee representing all railway unions in Canada is expected to follow completion of a strike vote among railway employees in connection with the dispute over vacations with pay, Joseph Corbett said today.

Local railway employees would vote on the issue as soon as ballots were received, he said. He expected a week or two would elapse before the strike vote would be completed across Canada.

Railways were notified last week by F. H. Hall, chairman of the negotiating committee, that a strike vote was being taken following the unanimous finding of a conciliation board which recommended a 10 per cent scale for vacations with pay.

The board proposed that employees with one year's service be allowed six days' vacation with pay, those with three years' service be entitled to nine days and those with five years' to 12 days. Mr. Corbett said the railways refused the recommendation.

Famous British Squadron Takes Off on Hop to Canada and U.S.

Bound for Canada and the United States, 16 Lincoln bombers of No. 617 Bomber Squadron, took off from Binsbrook, England today on the Atlantic hop to the airport in Newfoundland where they will fly to Washington and after their stay across the border will visit Canada before returning home. The squadron made history for the Royal Air Force with the breaching of the Mohne and Eder dams during the war, and the part it played in the sinking of the German warship Tirpitz. Shown today in flight, the squadron leader, C. G. Searby, and Wing Commander G. D. Milne, D.F.C., the latter being in command of the flight.

Up Almost 20,000 in 5 Years

Edmonton Population Recorded at 113,116

By Dick Jackson

OTTAWA, Ont., July 23.—The Trade and Commerce department's Dominion Bureau of statistics today released what it termed "final population" for Alberta municipalities in 1946.

The BUREAU reported "corrections" on its "preliminary figures," revealing increases for many centres over the totals released early this year.

Final count for Edmonton was 113,116, an increase of 9,817 in the 1941 census.

Calgary gained from 86,904 in 1941 to 106,944.

Alberta's gain in the five years was from 796,383 to 860,330.

These were the comparative figures, 1941 and 1946, as reported by the province of Alberta and if not, to make such recommendations as the said commission may in their discretion consider proper."

The commission is made up of Chief Justice W. R. Hughes, Edmonton; Chief Judge J. W. McKeown, and Mr. J. W. McKeown.

Dispute Shelved On Atomic Veto

By ROBERT MANNING

LAKES SUCCESS, N. Y., July 23.—(BUP)—The United Nations Atomic Energy Commission today shelved the east-west dispute over the "atomic veto" indefinitely after the United States served notice it never would accept Russia's demand on the issue.

The postponement was requested by American Delegate Frederick H. Osborn, who said the United States "will not be a party" to any attempt to give the big powers the right to veto punishment of global atomic control offenders.

After yesterday's 80 bags of mail showed the disclaimer could be recovered—yet but perhaps impossible to deliver to traders, municipalities and others who have been out of touch with their families.

The BCAF announced last Wednesday that rescue crews were standing by to deliver to traders, municipalities and others who have been out of touch with their families.

Famous Air Squadron On Good-Will Flight

LONDON, July 23.—(Reuters)—Sixteen Lincoln bombers of 617 Squadron, RAF, took off from Binsbrook, Lincolnshire, early today to fly the Atlantic on a good-will mission to the United States and Canada.

WITH THEM they took one of the RAF's most precious war trophies, a scale model of the Mohne Dam which was used by the late Wing Commander Guy Gibson, late Wing Commander, and his fellow pilots at the bridge when they planned their famous raid which breached the dam in May, 1943. France Won't Stop Refugees Landing

PARIS, July 23.—(Reuters)—Francis Mitterand, French minister for refugees, speaking for the French government following a cabinet meeting today over the 450 Jewish immigrants being returned to France by Britain said:

"France will not prevent the immigrants from landing on her soil, neither will we use the means of force or pressure to persuade them to leave the ships if they do not wish to do so."

The source added that the Royal Family and the government now were "more strongly than ever in favour of October as the wedding time."

The people who plan such state functions, he said, were coming to the conclusion that all arrangements could be completed by the end of the year.

Spiking speculation that the wedding would have to be a small, semi-private affair because of Britain's poverty, a high government source said it was now definitely known that the ceremony would be in Westminster Abbey and "certainly would be on austerely lines."

Two Columns Drive In Indonesian Capital

BATAVIA, July 23.—(AP)—Four Java towns were in flames tonight as Indonesian forces drove two columns driving toward the Indonesian capital of Jogjakarta.

A Dutch communiqué said that Dutch troops, after battling back an Indonesian counterattack, captured the town of Salatiga, 35 miles north of Jogjakarta, and continued to advance. Another Dutch force, the communiqué said, was approaching the capital from the northeast.

The Dutch communiqué said all of east Java had fallen to the Dutch. It said Dutch units were in numerous coastal towns in east Java, and Dutch units from the north and south were closing together to pinch off the eastern tip of the island at its narrowest point.

The communiqué said the Dutch force, which was composed of seaborne troops landed at Bangkang in the first amphibious action since the south coast.

Dutch fighter planes slashed the defenses with bombs, rockets and machine-gun fire. Indonesians were reported trying to use demolitions and guerrilla tactics to stop the Dutch.

Indonesians had claimed earlier that they halted the Dutch at Salatiga. The Dutch force there was reported spearheaded by three gun carriers.

"Old" Bobo Newsome Increases Yankee Lead

NEW YORK, July 23.—(AP)—Some tune-smith once batted out a melody titled "You Get Sweeter As The Years Go By" and, although he didn't have much of a Yankee lead, Newsome in mind when he wrote it, the shoe fits.
Old Bobo last night turned in his third straight victory on the mound for New York Yankees since he was rescued from Washington Senators and it was his best yet for the American League leaders—a three-hit job which was good for a decision over St. Louis Browns.
The win, incidentally, was the veteran right-hander's 16th major league triumph. In only one inning did the Browns put two hits together but the rally was snuffed out by a double play.
MEANWHILE, the second place Detroit Tigers grouped to 10th lack as they bowed to Washington Senators 6-1. Big stumbling block for the Bengals was Early Wynn who doted two hits for his 11th victory.
At Philadelphia, the Athletics sported Cleveland Indians three runs in the first inning, then bounced back to score a 5-3 victory. Walls and errors figured prominently in all the scoring as Bill Dietrich and Russ Christopher checked the Indians with three hits and trio of Cleveland hurlers—Al Gettel, Bryan Stephens and Red Egan—limited the A's to the same number, including a homer by Sam Chapman.
In the ONLY American day game, Don Diamond's game home run on a double by catcher Birdie Tebbets to give Boston Red Sox a 1-0 win in 3-2 triumph over Chicago White Sox, who have lost all six games in Boston this year.
Joe Johnson picked up his 11th win against five losses on the mound and Big Red homered for Boston went to Johnny Pesky with four singles in five trips to the plate.

Racing Pools Low At Saskatoon Meet

SASKATOON, July 23.—(CP)—Despite consistent wins by long shot, the second day of the Saskatoon race meet produced only average returns in the quinnels and daily double events.
Princess Pilot and Jandem combined for the daily double of \$14.10 while Don Heather and Cave Boy placed one and two respectively to return \$27.75 to the lucky quinnels and daily double bettors.
Highest returns of the day were paid by Golden Vista in the third race, \$23.30 being returned for a \$2 on the nose while six of the seven races paid more than \$4 on a straight bet on the winner.
Jockey Eddie Johnson rode three winners.

Stricken Woman In N.Y. Hospital

NEW YORK, July 23.—(CP)—Mrs. Brigitte A. Colman last night was in a New York hospital after a dramatic "mercy" run at sea involving the Canadian Navy.

Mrs. Colman, 27-year-old Belgian, bound for Canada with her husband, Regulus Colman, and their five-year-old son, Roger, was stricken with a hemorrhage last Friday while aboard the French liner ship De Grasse.

The destroyer HMCS Nooka immediately rushed medical aid to Mrs. Colman which aided her until the De Grasse docked here Tuesday. She was taken to French hospital in New York and last night her condition was described as "fair."

The De Grasse was 800 miles off Halifax en route from Le Havre, when Mrs. Colman fell from the deck. The Canadian navy, in response to a call for medical aid from the liner, dispatched Surgeon Cmdr. C. E. Brooks of Montreal and Lt.-Cmdr. R. C. Owen of Edmonton aboard the Nooka. The surgeons boarded the De Grasse Saturday with medical supplies.

However, after consultation with French doctors aboard the liner, they decided that Mrs. Colman could not be moved to the waiting destroyer because of heavy seas. Since the De Grasse was not equipped for an operation at sea, it was decided that Mrs. Colman should be taken to New York.

Party to Search For Plane Wreckage

SEATTLE, July 23.—(AP)—A picked mountain climbing party faced a dangerous job today when it set out to search for the wreckage of the United States marine corps transport plane which vanished with all hands aboard, on a San Diego-Seattle flight last Dec. 30.

Naval district headquarters reported the "tentative" identification of the wreckage by assistant chief ranger Bill Butler, on Yakima Glacier on the mountain's southwest face.

Butler reported that he sighted through field glasses from a high ridge late Monday a plane's bucket seat, a piece of a plane's metal wall, and what appeared to be another piece of wreckage.

Job Service Plan Hits Fast Pace

OTTAWA, July 23.—(CP)—Canada's vast and intricate labor machinery, the National Employment Service, has handled more than 2,300,000 job seekers in the last 30 months since VE-Day.

In a report on the work of his department, Labor Minister Mitchell said yesterday that the service and the Unemployment Insurance Commission staff June 1947 with 9,800 at the peak period during the war. The services are now down to 300 centres across the Dominion.

Rap CCL Members For "Disloyalty"

OTTAWA, July 23.—(CP)—The drive of the Canadian Congress of Labor Against Communism is only "incidental" to a main drive to keep its members from entangling with opposition labor movements.

P. J. Conroy, secretary of the CCL-affiliated organization, said today. E. A. Sherratt, in an interview, on a CCL statement Monday that the Congress was having a showdown with Communists within its ranks.

Eight Are Killed As Train Ambushed

LAHORE, India, July 23.—(Reuters)—Raiders ambushed a d. stormed a special workers' train near Lahore early today, fatally slaying eight passengers and injuring 20 others.

Renewed disturbances were reported from Karachi, the big coal centre and railway junction near Calcutta, where police had to fire three times to disperse unruly mobs.

Urges Abolition Alimony Payments

ELMHURST, N.Y., July 23.—(AP)—Virtual abolition of alimony payments was recommended yesterday by a New York criminologist who termed the "alimony racket" one factor in the "steady increase" of divorces in the United States.

Dr. Verleam Simon told the annual conference of the New York State Association of Chiefs of Police that other factors in the divorce rate are the greater independence of women, more emphasis on sex appeal and the laxity of divorce laws.

First Conversation Over New System

ATLANTIC CITY, N.J., July 23.—(AP)—The first telephone conversation between Argentina and the United States by means of frequency modulation mobile radio telephone equipment was made Tuesday when officials of Empresa Telefonica in Buenos Aires conferred with Argentine delegates to the international telecommunications conference here, an announcement said.

Americans Stretch U.K. Loan Terms

WASHINGTON, July 23.—(AP)—The American government has asked the British government to stretch a clause of the \$3,750,000 loan agreement to help British stretch its fast disappearing dollar resources.

Government officials disclosed the American government has ruled that London will reduce purchases from the United States and buy more from its colonies without violating the loan accord.

Protest Proposed Increase in Fares

Edmonton Trades and Labor Council an AF of L affiliate, has sent a protest to the City of Edmonton concerning the proposed bus fare increase.

Another reason given for shortening working hours was that \$3,500,000 in new equipment will be purchased by the city to improve the transit system, and this sum will be charged against the revenue of the transit system.

Hope to Raise Living Standards

CALGARY, July 23.—(CP)—Representative of CCL unions in the province will meet in Calgary Friday to discuss co-ordination of wage policies and union resources in an attempt to raise the standard of living in Alberta.

William W. L. Macdonald, president of the Calgary Labor Council said Tuesday, Charles Dean, general organizer for the CCL, announced in Edmonton a general organization campaign to be in the province by the end of the year.

Canada-Argentine Trade Deals Cool

OTTAWA, July 23.—(BIP)—Canada-Argentine commercial relations have "cooled off" to a point which leaves important trade deals already entered into between the two countries hanging precariously in the balance, an authoritative source learned today.

Chief factor in the rapidly-diminishing situation is said to be a new agreement for a supply of vegetable oils which Canada is negotiating with the United States.

Cochrane Farmer Reported Missing

CALGARY, July 23.—(CP)—Searchers last night failed to find any trace of Joseph George Meier, Cochrane district farmer, who has been missing from his home since Monday morning.

Another search party will be organized at the Meier farm Wednesday, say RCMP authorities. The 46-year-old farmer was last seen between 10 and 11 a.m. Monday in his own pasture looking for a team of horses.

Anna June Morrison Bride At Central Union Church

CALGARY, July 23.—Flowers, banded the altar of Central Union Church, Calgary, July 18, when Miss Anna June Morrison, bride daughter of Mr. and Mrs. W. D. Morrison of Calgary, became the bride of William John, only son of Mr. and Mrs. J. W. Hendrick of Edmonton in a double ring ceremony. The Rev. A. Little performed the ceremony.

Given in marriage by her father, the bride wore a flowered gown of white Swiss embroidered crepe, styled with beautiful skirt rounded neckline and short sleeves, with which she wore long lace mittens. Her veil of illusion net was held in place by a pearl comb. Her only ornament was a pearl necklace, gift of the bridegroom. She carried a colossal bouquet of American Beauty roses and white sweet peas.

The bride's attendant was Miss Joan Hare of Edmonton. The bridegroom was attended by Roy Stephenson, of Edmonton. Ushers were Roy Morrison, of Calgary, brother of the bride and Hiram, of Edmonton, brother-in-law of the bridegroom. During the signing of the register, Miss Alice Wilson sang "Through the Years."

The ceremony, a reception for 40 guests was held in the green

Twins Reunited After 33 Years

MONTHLY, July 22.—(CP)—Thirty three years ago Millie and Winnie Hammond, identical twins, each other a hearty farewell at their Laneshire home.

Winnie, now Mrs. King, came to live with relatives in Canada, while Millie stayed behind in England, eventually marrying and raising a family by a strange coincidence, the same as her Canadian sister—a girl followed by a boy.

Today, the two sisters are together again.

During all these years the twins remained close to each other. Not only Millie's sister, but she could always tell if Millie was sick or in trouble. Mrs. King said in an interview, "and letters from her weeks later confirmed my intuition."

During the Second World War, Mrs. King's sister, who was working in the Royal Canadian Air Force, was stationed in Montreal before being sent to England.

Through the Queen's Canadian Forces to assist war veterans of her native city, Mrs. King working on the Mayor's Fund in Harrow, Ontario, helped distribute this money raised in Canada.

On finding that she would have to wait 18 months for passage by sea to Canada, Mrs. Macdonald decided to fly to Canada.

Mrs. Macdonald kept writing and saying she was coming to Canada, and on Sunday Mrs. Humming, who has lived here for 10 years, received a cablegram advising, "my flying tonight."

"She had no money to fly," Mrs. Humming remarked of her mother's arrival, "and I guess she'll have a lot more to tell us."

She is a colorful soprano who can go to high C.

"As a matter of fact it was studying very hard for grand opera," she said, "and I was getting plenty of encouragement from some Metropolitan Opera singers."

"But I couldn't be a dignified diva, I would rather get a good laugh and laugh myself out of the restrained anger out of the diamond horsehoe."

IN REAL LIFE she is pretty, is married to C. B. England, a United States army sergeant she met on her U.S. tour in 1914, and has a daughter, Juliette, age 3, who now is at her San Francisco home.

"I thought I was going to have to tell off my mother in law, America when they called me the other night and said Juliette was back a little later and said it was nothing more than a funny story," she said.

Juliette had been wandering around in our orchard and picking grapes and eating them. "Juliette we've got to cut down those apple trees or put a muzzle on Juliette."

Juliette has changed her radio room somewhat since she first came acquainted with microphones. On her own "Juliette Show" she has a sophisticated script built around more or less high society in London, California.

"HOWEVER, I CAN'T resist it," she said, "I still throw in a sprinkling of corn when I sing too high society. We do mostly straight music songs we present."

Although firmly associated with "Juliette Show," Mrs. Canada also performs sweet and classical songs.

Shirley Rae Bentley Married At Westlock United Church

WESTLOCK, July 23.—The United Church in Westlock was the scene of the double-ring wedding ceremony Saturday evening of Miss Shirley Rae Bentley, daughter of Mr. and Mrs. A. G. W. Bentley of the Westlock, and Richard John McDonald, son of Mr. A. Macdonald of Vancouver. The Rev. John W. Stutcherby performed the ceremony. Mr. Stutcherby played the wedding music and Miss Marion Smith sang "Through the Years."

The bride given in marriage by her father, wore a white broad-satin gown fashioned with a high neckline, long-sleeved, a petticoat and a court train. Her long veil was held in place by a pearl comb and she carried a bouquet of call lilies and ferns.

Mr. and Mrs. H. W. Bentley, who were guests of Mr. and Mrs. W. H. Huxley at their summer cottage at Banff, were the guests of honor at the reception. The couple will make their home in Westlock.

After the ceremony a reception was given at the home of Mr. and Mrs. H. W. Bentley.
